

Statistician's Report Number 10 2009

by Luke Travers

Fifty-five runners braved the inclement and cool conditions greeting participants in the Churchill Park Handicaps. This was the smallest field at this event since 1990. The small fields plus the wet slippery conditions explain why Natalie Geddes of Old Xaverians was the only record breaker on the day. Natalie bettered the OX female record for the 12k event.
