### The Hooley Relay

A field of 126 runners competed in the 32<sup>nd</sup> annual Hooley Relay. This made it the largest ever field for the event, bettering last year's record of 117. Old Scotch surprised many for the second time this season to take out the race by a narrow 23 second margin from Haileybury. The win took the tally to 12 for Cardinal victories at Gilwell Park. St. Kevin's recorded its best placing in a team event for some time and in the process broke the club record for the event. Ryan Mathews (SK) won the fastest time award for the first time in an APSOC event.

Haileybury upset the Old Xaverians women's dominance of teams events this season with a 48 second victory. This time bettered Haileybury's club record for the event and was its fifth win in the event. Old Brighton women similarly broke their club record for the event.
