

## Statistician's Report Number 8 2009

by Luke Travers

A field of 103 runners competed in the annual Williamson Teams Race. The event was again conducted around the Berwick campus of Haileybury College over a heavy course. Old Brighton athletes were the major record setters, with their team recording a new lowest points score and Melissa Hendy setting a new female standard for the event. Old Scotch women's third became their best placing in the event.

Haileybury won the open division for the sixth time and Old Xaverians won the women's event for the third time (although Haileybury was erroneously announced as the women's winner after the race).

Any one of three clubs can win the division 1 title in 2009. If OX or OS win Cooke McClelland and OH finish third or worse, the winner of the Cooke-Mc will win the title. If OH finishes first or second, it will retain its title. In relegation territory, SK and OW just need to score points in the last race to avoid relegation and send OGC down to division 2 for 2010.
