

Geelong Relay

A field of 132 runners, including 31 female runners, competed in the Geelong Relay. This was two more than last year's record field for this event. It was the largest field at Queen's Park both for the Geelong Relay and its previous incarnation as the MacDougall Relay. Only the 146 strong field at the MacDougall Relay in 1996 has been larger.

No individual best times were set by males, but Catherine Turner set a best time for a female runner for Old Scotch in this event.

Haileybury won its fourth and Old Xaverians women their third Geelong Relay. Haileybury's 72:50 was a new APSOC course record for the event. Other team records were set by Old Scotch 79:29, Old Xaverians women 63:06 and Old Scotch women 78:47. Best team placings were set by Old Carey 3rd and Old Scotch women 5th.
